

## ~~ 2025 Review ~~

I hope this finds you all in good health and spirits. Other than joining my first book club ever, I don't have much news to report...which is a good thing because at my age most news is about medical issues! I am still with my BF Randy (happily living apart), meeting with my Italian language group on Tuesdays, and teaching yoga on Wednesdays (both on Zoom). I am supporting fewer websites, doing a little less dancing and gardening (lots of figs but fewer vegetables), and have not gone back to skiing. What I did a LOT of is travel!

- JANUARY: Started the year in **Morocco** with the NextTribe travel group.
- MARCH: **Florida** for Joy's 60th birthday. Saw my granddaughter Shyla, my friend Jolaine, and my sister Sally.
- APRIL: First, **Big Bend National Park, TX** for a hiking trip with Eric and some ski club friends. Then **Phoenix, AZ** for a reunion of my Vietnam travel group and a quick visit with my brother Tony in **Tucson**.
- JULY: **Colombia, South America** with NextTribe to visit Medellin and Cartagena and celebrate my birthday.
- AUGUST: **Colorado Springs, CO** to visit my niece Alicia & family and go glamping with my friends Tee & Beth.
- OCTOBER: **San Francisco, CA** to hang with David, see his show HEXED at the SF Mint, visit my friend Suzanne, and get my "witch" on before I welcomed the tired, huddled masses to the local Hallowe'en dance.
